

DSHS Fifty Program

DataSmart *HEALTH* Solutions (DSHS) offers prepackaged solutions to self-insured health plans.

DataSmart *HEALTH* Solutions make up a complete and dynamic platform, which has been shown to produce lower costs, better clinical outcomes, and a superior patient experience.

DSHS offers an alternative self-funding solution to small employers to take control of their own health plan. Groups participating in DSHS Fifty (a small groups program) enjoy lower costs, lasting renewals, and a better plan-enrollee experience.

How to Join the Program

DSHS Fifty program is a small groups program available to employers with 2 to 50 employees.

Go to www.DataSmartHealthSolutions.com/how-to-get-started.aspx and click on the “**Small Group Application (2 – 50 employees)**” link. Complete the application and you will receive your Baseline Quote within two business days.

Key Vendor Partners

- **Benebay**
Benebay is the third-party administrator for DSHS’ small employer programs. Benebay provides essential employee benefit processing functions to ensure efficiency in plan management, superior customer service, and excellent program outcomes.
- **OptionCare**
Optioncare is the leading provider in home and alternative treatment sites for infusion services.
- **MagellanRx**
MagellanRx brings a complete suite of pharmacy benefit management services that are among the newest wave of healthcare trends. These include innovative cost containment programs, specialty drug management, and superior care coordination services.
- **National General Benefits Solutions**
National General Benefits Solutions focuses on providing small and mid-sized employers with benefit options previously only available to large employers — helping employers lower costs while providing quality benefits to their employees.
